ACCEPTED: HIGH SCHOOL FEMALE SUPPORT GROUP

As Renewed continues to grow and expand its offerings to the community, we are excited to host our first-ever support group for high school females, **AcceptED!**

AcceptED is a free group for high school females who are affected by eating disorders and/or body image concerns. The group is intended to be a place for participants to share their thoughts, feelings, challenges and triumphs in a safe environment. This group is made possible by the Nashville Predators Foundation.

AcceptED groups will meet by sessions. The first session of 2017 will run from May 4th - June 8th. All groups will meet at the Renewed office. For more information or to register, please visit: renewedsupport.org/programs/support-groups.
